Experience 1 - Software Engineering internship																			
Task 1: Attend SIT306 information session												Та	ask 1						
Task 2: Read DeakinTalent article Graduate Job Search: Essential												т	ask 2						
tips for job search success													asrz						
Task 3: Reflect on my learnings from article Graduate Job Search:												Т	ask 3						
Essential tips for job search success														Taalu 4					
Task 4: Submit application for internship to potential employersTask 5: Prepare for interview														Task 4 Task 5					
Task 6: Attend interview for internship														Task 6					
Task 7: Commence Software Engineering Internship														Task 7					
Task 8: Complete Software Engineering Internship														Task 8					
Experience 2 - Experience and Employment Expo																			
Task 1: Prepare for <i>Experience and Employment Expo</i> - Practice																			
my introduction	Task 1																		
Task 2: Attend campus Experience and Employment Expo - Identify																			
and approach three prospective employers for internships / graduate	Task 2																		
roles																			
	Task 3																		
Experience 3 - DeakinTalent: Interviewing 101																			
Task 1: Review my current interview technique - Identify strengths and weakenesses		Task 1																	
Task 2: Attend Interviewing 101 workshop		Task 2																	
Task 3: Reflect on my learnings from workshop		Task 3																	
Task 4: Practice new skills learned from workshop		Task 4																	
Experience 4 - DeakinTalent Advance: Excel at																			
behavioural interviews																			
Task 1: Review past behavioural interviews to understand what I was	Task 1																		
asked and how I responded																			
Task 2: Attend Excel at Behavioural Interviews workshop	Task 2																		
Task 3: Reflect on my learnings from workshop Task 4: Description of the second frame workshop	Task 3							_											
Task 4: Practice new skills learned from workshop	Task 4																		
Experience 5 - DeakinTalent: Interviewing 201 Task 1: Review developed interview techniques from Interviewing																			
101 workshop.	Task 1																		
Task 2: Attend Interviewing 201 workshop		Task 2																	
Task 3: Reflect on my learnings from workshop		Task 3																	
Task 4: Practice new skills learned from workshop		Task 4																	
Experience 6 - Business Analysis Foundation Course																			
(Lynda.com)																			
Task 1: Complete Business Analysis Foundation Course online					Task 1														
Task 2: Reflect on my learning from course					Task 2														
Experience 7 - Programming Course (Lynda.com)																			
Task 1: Complete Programming Course online													ask 1						
Task 2: Reflect on my learning from course		<u> </u>	$\left \right $									Ta	ask 2						
Experience 8 - Web Design Course (Lynda.com)		<u>├</u> ──									<u>├</u>			Task 1				<u> </u>	
Task 1: Complete Web Development Course online Task 2: Reflect on my learning from course		+ $+$ $-$	+								$\left \right $			Task 2					
Task 2: Reflect on my learning from course Experience 8 - Graduate position		+ +																	
Experience 6 - Graduate position Task 1: Look for appropriate graduate positions		+ +																	
Task 1: Look for appropriate graduate positions Task 2: Apply for appropriate graduate positions		<u> </u>	+					1											
Task 2: Apply for appropriate graduate positions Task 3: Prepare and attend interviews		† †
